

Temporary and Part-time Personnel

ADULT EDUCATION PROGRAM

Any regular full-time employee, except administrators, may work in the adult program in addition to their regular employment.

Such certificated instructional personnel shall be limited to working a maximum of twenty-five hours part-time per week.

Administrators may work part-time in the adult program in addition to their regular employment only upon approval of the Superintendent of Schools, or the Deputy Superintendent, Office of Personnel Management and Services. Eligible administrators shall be limited to working a maximum of twenty-five hours part-time per week.

Selected non-certified personnel may be employed to provide part-time instructional services to adults in the individual's occupational specialty when certified instructional personnel are not available. Such non-certified personnel may not be employed more than 160 hours during a fiscal year.
